Thanksgiving

Tricks of the Trade

Thanksgiving is here! Let us add a few more items to your already expansive (we hope it is!) list of things for which to be thankful. When it comes to the big day, there is so much cooking, celebrating and eating to be done, so we're thankful there are some great local products that make the day more enjoyable along the way. Give thanks for these great tricks of the trade, for a successful Thanksgiving.

THE BIG GREEN EGG

\$1,099.00

The benefits of the Big Green Egg are numerous. Its ceramic walls retain heat with accurate temperature control and no hot spots. Constant tending is not required; with enclosed cooking there are no grease flare-ups. It withstands temperature extremes from below 0° to 1800° F. Surface stays cooler and is safer around children than metal grills. The Big Green Egg stands alone as the most versatile barbecue or outdoor cooking product on the market, and The Large Big Green Egg can cook a 20-pound turkey. Package includes Large Big Green Egg, nest, side shelves, charcoal, lighter cubes and "conveggtor."
